Keith Wygant Memorial Fieldhouse

Generations of student athletes have benefited from our athletic facilities and continue to share how their experiences at Ashland High School helped to shape their lives after high school. The Keith Wygant Memorial Fieldhouse meets the district's needs for athletic space with a cost-effective multi-purpose fieldhouse facility, funded through private donations.

In further support of this project, commemorative bricks and benches are being offered for sale in the **Walk of Champions**, located between the fieldhouse and the stadium. Money raised through this campaign will be used to purchase additional equipment needed and help subsidize operating expenses. Your investment of \$250 for a brick or \$3,000 for a bench in the Walk of Champions will secure your place in history and support all of the programs throughout the district that utilize the facility.

ACT NOW! A limited number of bricks and benches are available, and these prices will increase at the conclusion of the 2021-22 school year.
