\$33,558,491

Funds: 683

Donors: 8,000

Assets: \$92,862,590

As you'll read in the pages of this annual reporting of our activities, our 29th year of operation was certainly one of "first ever" and "most ever" achievements!

An amazing new collaboration emerged this year between ACCF and The Norma Foundation, gracing us with an additional \$150,000 of capacity to fund 22 nonprofit requests. This partnership allowed us to add a second community-wide grantmaking cycle each spring to complement our fall Community Grants cycle.

A first-ever "Affiliate" relationship was created with the Ashland City Schools Foundation, which will permit the school foundation to concentrate on benefiting Ashland City Schools, while ACCF handles much of the back-office support, creating a win-win situation for all involved.

Our Women's Fund Steering Committee came up with a new concept this year, a giving circle, carrying the branding of "EmpowHer." Two very successful inaugural events were held, raising dollars both for immediate grantmaking and for growing the Women's Fund endowment.

Each one of our major grant programs saw tremendous growth this year, allowing us to award the highest number of grants we've ever provided in each of the following programs: Community Grants, Women's Fund Grants, Teacher Mini-Grants and IMPACT Youth Grants.

Likewise, we've seen continued growth of our donor advised fund program, with several new funds being created and the highest number of grants ever awarded from such funds.

We also awarded our largest number of scholarships to date, helping hundreds of local students achieve their educational goals and gain the skills to become future leaders in our community.

On behalf of our dedicated staff and devoted members of our board of trustees, we thank you for your continued support of Ashland County Community Foundation. YOU are making these achievements possible!

If you are already a member of the "ACCF Family," we're grateful for you; if not, please consider joining us, as we strive each day to improve the quality of life in Ashland County.

Regards,

James M. Cutright

EmpowHer Giving Circle

This year, the Women's Fund Steering Committee launched a new collective giving initiative called the EmpowHer Giving Circle. Participants enjoy networking and socializing while pooling their charitable resources to support causes that benefit women in Ashland County.

At a March pilot event, committee members and a small group of guests donated a total of \$1,320. They chose to make a \$660 grant to OhioHealth Foundation to be used toward the purchase of a special camera for Sexual Assault Nurse Examiners at the OhioHealth Ashland Health Center to use in the care of domestic violence and assault

survivors. The remaining \$660 was invested in the Women's Fund endowment to benefit local women in the future.

In June, nearly 50 women attended the second Women's Fund EmpowHer Giving Circle event, this time raising \$2,283 to benefit local women. They were able to invest \$1,146 in the Women's Fund endowment for future grant-making as well as to grant \$1,146 immediately to their chosen cause—meals for Ashland Special Needs Ministry's respite care program.

The committee plans to continue the EmpowHer Giving Circle with additional events in 2024 and 2025.

Nonprofit organizations can establish a type of designated, permanently-endowed fund at Ashland County Community Foundation called an “Agency Fund.” The earning distributions from these endowments provide an ongoing source of income for operations and programs. It’s a simple and efficient way to build an endowment and help create sustainability for the organization. Donor Funds Support and Sustain Charitable Organizations

Outside our annual grant cycles and staff-directed strategic grantmaking, nonprofit agencies receive grants and distributions year-round from charitable funds created by our donors.

These donor-directed grants have become a growing force for good in our community, supporting and sustaining dozens of organizations and causes each year.

Whether you want to choose exactly how your dollars are distributed or you'd like us to direct your funds to the areas of greatest need, we have a fund option to meet your charitable goals.

Donor Advised Funds

In 2023-2024, 179 distributions totaling \$528,655 were made from donor advised funds.

Donor advised funds allow donors to decide each year which organizations, programs and projects will receive distributions from their funds.

These donor advised funds were created in 2023-2024:

Ashland Young Professionals Charitable Fund

Mike and Tammy Buckingham Charitable Fund

Karen A. Z. Emery Charitable Fund

Frank Goschinski and Goschinski Family Charitable Fund

Jesse and Eileen Raubenolt Charitable Fund

Tim and Ann Schar Charitable Fund

Max and Amy Watson Family Charitable Fund

Charitable Fund Types

We offer several endowment fund types, allowing donors varying levels of involvement in how grants are distributed from their fund.

Donor Designated Funds

In 2023-2024, 265 distributions totaling \$730,107 were made from donor designated funds.

Donor designated funds are a “set it and forget it” option to provide annual support to charities selected by the donor at fund creation. Donors can create named funds that are designated for a particular charity or designated to support our Community Grants program for community-wide benefit.

These donor designated funds were created in 2023-2024:
