

ASHLAND CITY SCHOOLS  
**FOUNDATION**

Affiliate of Ashland County Community Foundation

## A Lasting Legacy For Our Schools

Let's ensure future Arrows benefit from the same spirit of generosity that has strengthened Ashland City Schools for decades.

## Together, We Have

**Raised more than \$1 million in project-based support**

- Funded projects like Library Link, Archer Auditorium, Keith Wygant Memorial Field House, Project Pavise, and Leader In Me
- Provided grants for teachers and scholarships for graduating seniors

## Together, We Will

**Build endowment to expand impact and create long-term stability**

- Create dependable annual funding for opportunities that enhance the student experience in arts, athletics, and academics
- Grow our Teacher Mini-Grant program to support innovative classroom ideas and learning opportunities
- Expand our capacity to fund special projects and programs

## Our Goal

**Raise \$500,000 for endowment**

- Raise a minimum of \$500,000 for endowment in gifts to ACSF Grantmaking Endowment Fund and individually named ACSF Grantmaking Funds
- This would generate additional distributions each year for grantmaking

## Join Us

**Leave your legacy to support Ashland Arrows for generations to come**

- Create a named ACSF Grantmaking Fund
- Your dollars will be invested, and fund distributions will support ACSF grantmaking in the areas of arts, athletics, and academics
